Výjezdy studentů doktorandského studia

Máš povinnost či možnost v rámci studia vycestovat s prací na projektu do zahraničí?

Tvůj výjezd můžeme podpořit stipendiem z fondu Erasmus+ nebo MOBI a to jak na výjezd v rámci Evropy, tak i mimo Evropu. Pokud se rozhodneš o toto stipendium požádat, postupuj podle pokynů pro žadatele o stipendium dle jednotlivých typů výjezdu:

Kdo se může přihlásit?	 
Kdy se mohu přihlásit	 
Na jak dlouho vycestovat?	 
Kam mohu vycestovat?	 
Kde hledat stáž	 

Návod, jak postupovat a instrukce k přihláškám najdeš u každého typu výjezdu:

Stipendia

Při výjezdech na konference se určitě ptejte na svém ústavu, zda by vám nemohli cestu spolufinancovat ze svých projektů. MOBI stipendium vám nepokryje celé náklady na výjezd! Stipendium MOBI činí **5000 CZK pro výjezdy v rámci Evropy a 8000 CZK pro mimoevropské výjezdy**.

STIPENDIA

! Určitě si prověř možnosti externích stipendií (vše ostatní kromě Erasmus+). Můžeš uspět s žádostí o stipendium, které je výrazně finančně výhodnější. Více v novém vyhlášení o stipendiích na DZS nebo na stránce [země výjezdu](#) či [seznamu](#) náležitých informací, které se k dané zemi vztahují.

What is a “Cotutelle” programme?

This arrangement also leads to TWO DIPLOMAS from both my home university as well as a partner university and is based on the dual supervision of the thesis.

The dissertation is to be supervised by both the supervisor from UCT Prague and the partner university.

AGREEMENT between the supervisors, institutions and Individual Agreement **HAS TO BE ARRANGED!**

Financial support: Erasmus+, French Embassy scholarships, DAAD, receiving institution.
