Short -Term
Study Stay
APPLICATIONS

Exchange Study Stay ERASMUS +

- Semester abroad (with possibility of extension to a year).
- You **MUST** fulfill your study duties.
- Study plan of min. **25 ECTS** per semester and at least **2 subject recognized back** (the more the better!).
- You must successfully finish min. 15 ECTS per semester and bring at least 1 recognised subject.
- Non EU citizen? - check your residence permit for how long are you allowed to travel.

Where to go:

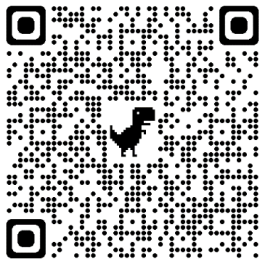

Ideally on our Erasmus Partner University, list on the IRO web. Will be updated soon!

Where else:

There are non European Universities where UCT Prague has signed Memorandum of Understanding. List of MoU here.

If you want to give it a try, search their course list for Exchange students, contact their International office and check the current situation. Ask about your possible study exchange and necessary steps to take. If there is a tuition fee, be aware, that we cannot help you paying this. Only Erasmus scholarship applies as with all other study Exchange stays.

Master duble-degree programme

- Abroad 5-10 months
- Limited offer of Programmes
- Non-EU citizen? Check you residence permit for how long are you allowed to travel!
- Studying in EN language? Check for options, that are taught also in EN (the part at UCT Prague)
- Contact the programme guarantor to find out more

The basis of the "double degree" study lies in the possibility of obtaining two degrees (from home and a foreign university) in a significantly shorter period of time than if the studies were done separately (consecutively).
